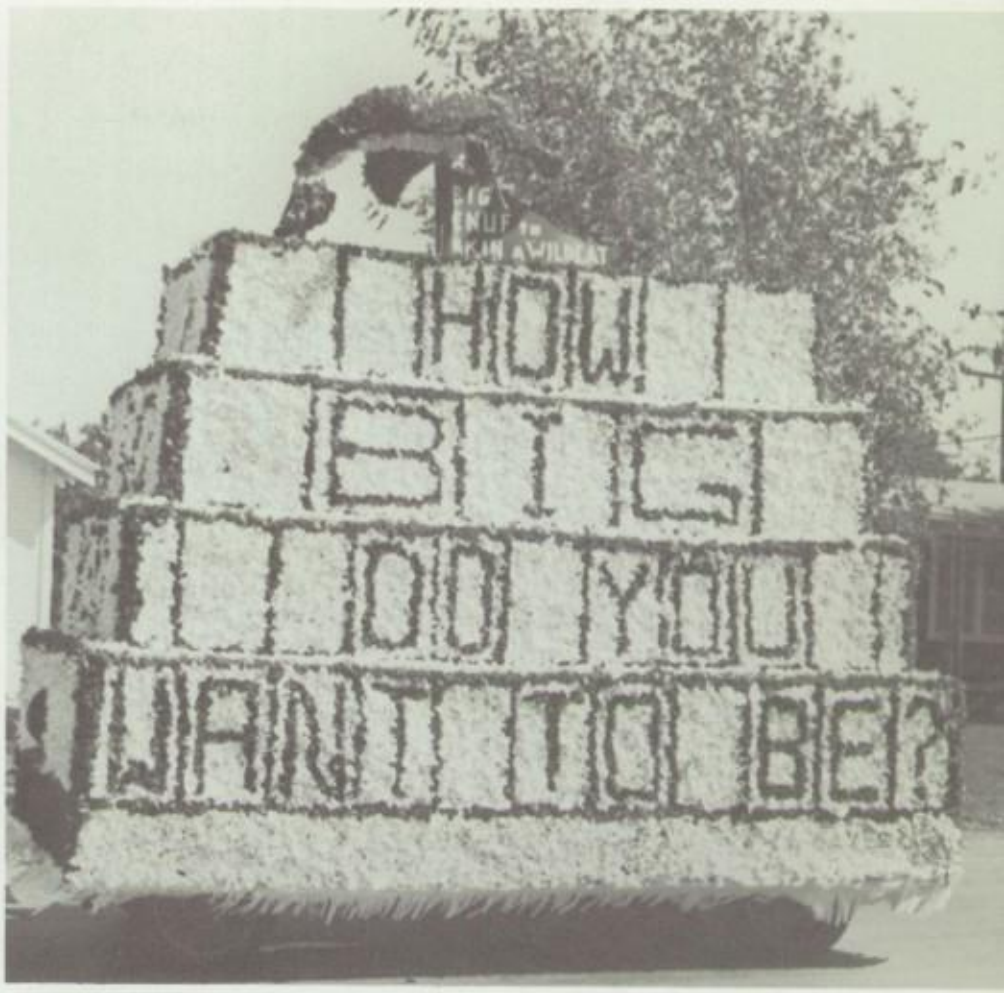
When chains are torn by courage

born of a love that's free

A time when dreams so long denied

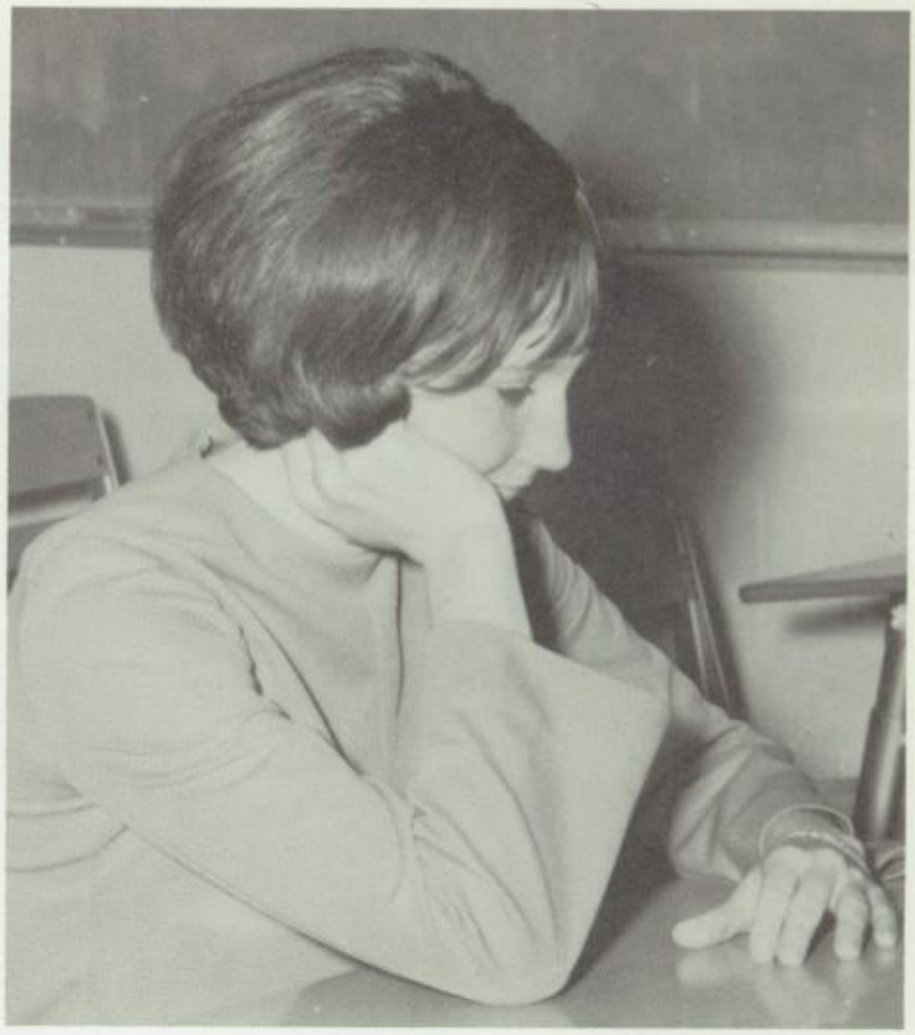
can flourish



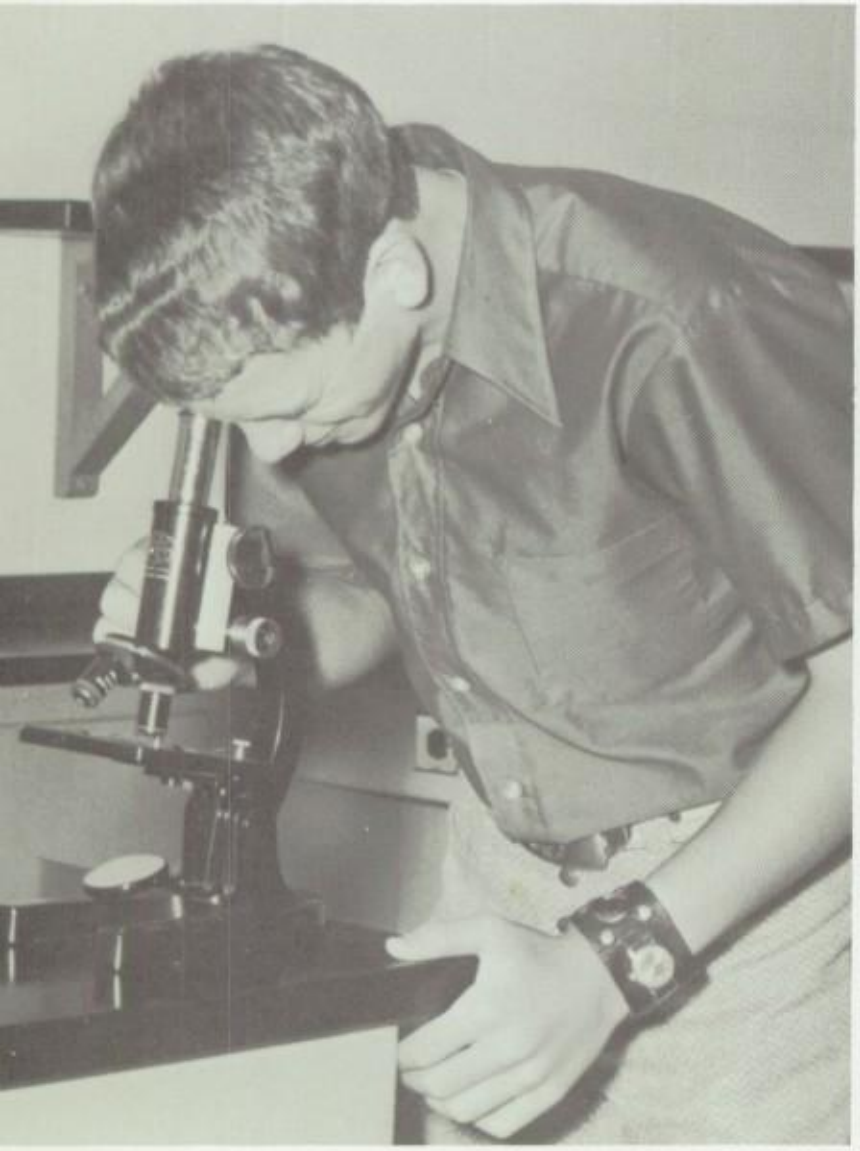
And with our love through tears and thorns

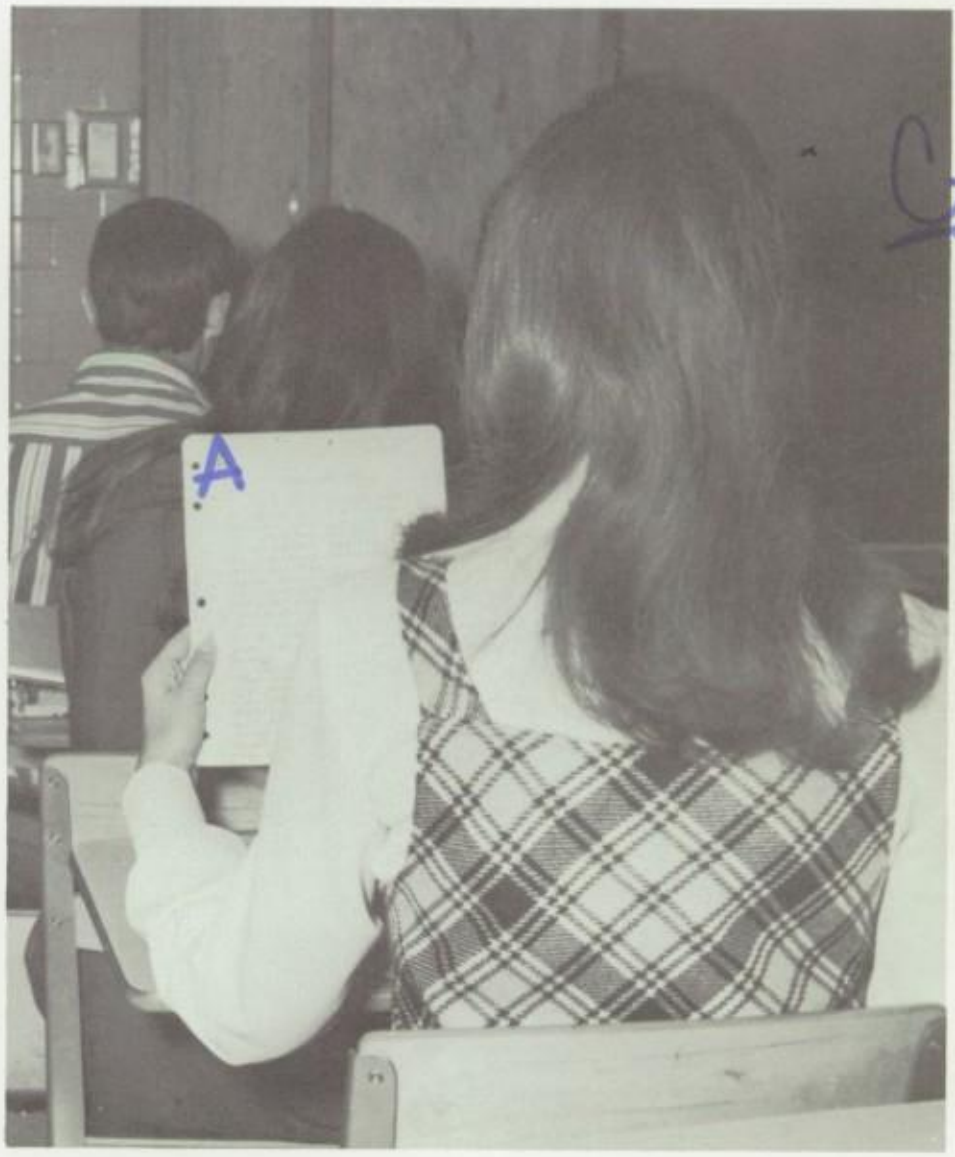
We will endure as we pass surely

through every storm



A time for us at last to see





A new world, a world of shining hope

for you and me.

School Board Lends Aid In Activities

School board members take a break to relax in the library of CHS at one of their regular meetings. The members of the board are from left to right: Emil Kester, Sam D. Grange, Charles Seely, Doyle Graham, Silas Boone, Nelson Johnston, Arthur Herchman.

It is difficult to analyze the impact of a school upon the area it serves and the area into which its students move. Too often, we try to measure this totally in dollars and cents. Perhaps, more important is the impact upon the whole of life. It is our intent that this will be desirable, wholesome, and stimulating, even for those who leave us early.

TOP LEFT: Coach Cleve Vessels, Mrs. Steva Brinkerhoff, and Mrs. Louise Lewis discuss the events of the day at the Coke machine. BOTTOM: Mr. Dale Thomas and Mrs. Musette Dowlen are caught trying to get a few minutes' rest in the teachers' lounge.

A Time for Memories

As seniors we recall many memories impressed upon us by our high school years. These memories add a glossy finish to the lives pictured here as the graduating class of '72. Trader Horn once said, "The first thing education teaches you is to walk alone." Our recollections not only enable us to stand together as a class united, but, at the same time, to stand as individuals in the world. In applying the memory of education and good times, we will be able to stand alone, for every day of our lives will be "A Time for Memories."

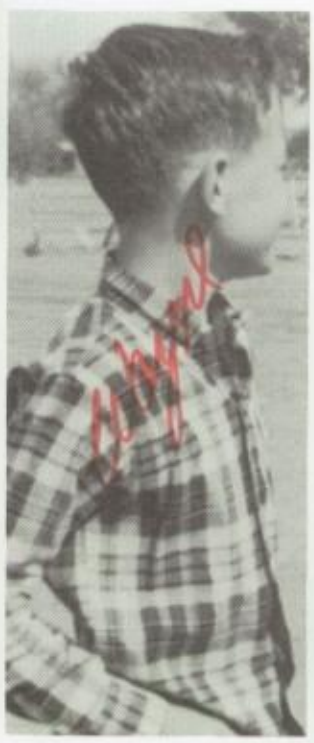
A Time to Follow Up

All the way through high school there has been one question we kept asking ourselves, "When will be become seniors?" Now that our junior year is almost over, we realize that we have answered that question ourselves. We have worked hard for this time in our lives and now we must show everyone that we are capable of handling this responsibility. We are looking forward to being seniors of CHS and to fulfilling our dreams.



Dearly beloved,

A Time for Perseverance

As sophomores, we are determined to be recognized not just as a class, but as a functioning part of CHS life. Although we have been in high school a short time, we have learned that to be recognized as a unique class, we must assert our responsibility. As we aim to higher goals in life, we find that there is no time like the present—"A Time for Perseverance."

A Time to Begin

As our first year at CHS has come and gone, we have become a part of a great school. We have had a lot of fun, met new friends and teachers, and have had new learning experiences. Our past experiences and memories will live within us forever.

There was a child went forth every day,
And the first object he look'd upon,
that object he became,
And that object became part of him for
the day or a certain part of the day,
Or for many years or stretching cycles
or years.

A Time to Crown: Christy Fugitt is 1971-72 Homecoming Queen

Christy Fugitt, a tall, green-eyed senior, was crowned 1971-1972 Homecoming Queen during the half-time activities of the Chillicothe Eagle–Archer City Wildcat game on October 15. The pretty brunette was crowned, presented with roses, and given the traditional kiss by her escort, David Ezzell, a senior and member of the Eagle team. The CHS majorettes presented a fire routine in Christy's honor.

Each year at CHS, three girls are nominated by the football squad as All-Eagle Girls or Homecoming Queen candidates. The identity of the queen is kept secret until the night of the Homecoming game, when she is crowned with a glittering football helmet.

RIGHT: Christy Fugitt receives her bouquet of roses from her escort, David Ezzell. LOWER LEFT and RIGHT: The other All-Eagle Girls were Jan Burnett, a senior and Darla Summers, a sophomore. They were escorted by Steve Bradshaw and Eddy Turner, co-captains of the team.

CHS Cheerleaders Promote School Spirit

The 1971-72 cheerleaders were elected during the spring term of the 1970-71 school year. Traditionally, one leader is selected from each class plus an extra senior. One of the seniors is chosen as head. This year the tradition was followed with the exception of one additional cheerleader. The position was open to a girl of any classification.

The results were three seniors, Jan Burnett, Christy Fugitt, Robbie Justice; one junior, Vicki Metcalf; one sophomore, Darla Summers; and one freshman, Carla Ford. The pep squad elected Jan Burnett as the leader of the cheerleading.

Twirlers Direct Pep Squad in Routines and Marching

The tradition in the number of twirlers was ammended for the 1971-72 athletic season. The two twirlers elected were Deborah Cheek, junior and head; Celeste Meeks, sophomore. Acting as leader for marching and routines, Deborah brought to her position two years of twirling experience. This was the first year for Celeste, who assisted Deborah in her duties. In preparation for the season, the two majorettes attended summer twirling Camp at Cisco Junior College. The tasks of twirlers are many and these include the directing of the pep squad in marches and routines, a fire routine for Homecoming entertainment, and the designing of the Homecoming formation presented by the pep squad in honor of the Homecoming Queen. The pep squad, RIGHT, performs one of their routines under the direction of Deborah and Celeste.

A time for us at last to see

Editor's Note

To everything there is a time, and as students, we are preparing for that part of our life. But is life not made of time, and time the maker of life? These times, the small segment of our lives spent at CHS, are best remembered through yearbooks. This yearbook was planned with this idea in mind: to provide you with a memory book of good and bad times for us.

"It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair."

Charles Dickens
